The abstract submission and presentation guidelines are crucial for ensuring a fair and standardized evaluation process for award nominations. These guidelines provide a framework for applicants to effectively showcase their work and for selection committees to assess their qualifications. Here are ten comprehensive guidelines to help applicants prepare their abstracts and presentations.

1. **Word Limit and Biography:** The abstract should not exceed 1000 words, with a minimum of 200 words, while the biography should be within 200 words (minimum 50 words). Adhering to these limits allows for concise yet comprehensive submissions.
2. **Images and Publications:** Applicants can include a maximum of three images, including their own photography. Additionally, they should provide a list of recent and

We extend a cordial invitation to scholars, scientists, and physicians to actively participate in an endeavor that holds the potential to shape the future of affordable healthcare and medicine. Your invaluable research can make a remarkable impact in these vital areas.

We invite you to submit your research for presentation and publication in prestigious platforms such as the G20 Affordable and Accessible Healthcare Summit series, Global Tech20 Summits, Pharma20 Summit series working group meetings, Pharma20 Summit series, digital health, and the esteemed G20 conference proceedings publications. By joining this distinguished community, you have the opportunity to earn recognition for your work while contributing to the esteemed G20 proceedings.

We seek research that focuses on promoting affordable and accessible healthcare, accessible medicine, and the practical application of your findings in the domains of science, technology, and medicine. This is an excellent opportunity to present your selected abstracts at the designated G20 conferences or through virtual presentations. Following these presentations, your work will be featured in the renowned G20 conference proceedings publication.
