

Awards 2020 of European Meeting on Materials Science and Nanotechnology

Elsayed Ahmed Elnashar

Professor at Kaferelsheikh University, Egypt, E-mail: Smartex@kfs.edu.eg

• Expert Level (Scientific Service Achievement Award)

This award is given to the experts who have made outstanding contributions to advancing in **Materials Science**. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of **20+ years of experience** in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

• Professional Level (Research Contribution Award)

This Award is for skilled or tutorial analysis activity in heritable in Materials Science analysis field within the public or non-public sector for specialists having analysis information at **10+ years within the field of Materials Science** with most relevant accomplishments. Part-time analysis expertise would be counted as pro-rata. It's calculated ranging from the date after you obtained the (first) degree entitling you to start a academic degree (either within the country within which the degree was obtained or within the country within which the investigator is recruited), although a academic degree was never started or envisaged. You'll nominate worthy of the award on-line.

• Scholar Level (Upcoming Researcher Award)

This conference offers Scholar Level Award for the coming scientists, researchers, and specialists having **10+ years of analysis expertise** within the field of **Materials Science**. Our conference would love to produce the simplest platform to expand your network by sharing your analysis information at the stage. The presentation includes 25-30 minutes of oral speak on the research project topics supported the theme of the conference at the side of five minutes of panel discussions. You'll be able to nominate worthy of the award through on-line.

• Women Scientist (Women of Science Award)

Our **Conference** provides a singular platform for girls scientists for presenting latest analysis comes with Associate in with an

in-depth analysis. We have a tendency to heartily invite ladies students and scientists from Universities/Industries to WHO have **10+ years of analysis expertise** to access the forum. We have **0+ years** present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Materials Science**. If you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online.

• Best Poster Presentation in European Materials 2020

Student Poster Competition is organized at **Conference**, to encourage students and up to date graduates to give their original analysis. All accepted abstracts are given at the poster sessions throughout the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to give their period work and share their views and aspects associated with the theme of the conference. You'll be able to nominate somebody worth of the award through on-line.

• Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in European Materials 2020

This award is recognizing for Masters/Ph.D./Post academic degree thesis work Presentation World Health Organization can give their comes and thesis that are enforced to enhance semi permanent excellence within the field of **Materials Science**. You can nominate worthy of the award through online.
