

We are very much delighted to mention all of you that we have completed our 4th successful year in the arena of publishing and research on Cancer Prevention. Over the past 4 years we have spread our wings across the globe and have collaborated with many scholars, researchers and budding scientific community who has contributed to our growth and success. Our combined continuous efforts have received a tremendous response and attracted billions of readers across the globe. During the year 2019, all issues of volume 4 were published online well within the time
