

Editorial Note:

In a landmark publication in 2020, all clinical trials involving patients with advanced cancer must be registered in a public database within 30 days of the start of the trial.

Our journal is pleased to announce that we have accepted for publication a clinical trial comparing a novel immunotherapy with a standard of care. This trial is registered in the ClinicalTrials.gov database.

AOT is pleased to announce that we have accepted for publication a clinical trial comparing a novel immunotherapy with a standard of care. This trial is registered in the ClinicalTrials.gov database.

Research in cancer treatment is a rapidly evolving field. We encourage authors to submit their work to our journal for consideration.

clinical trial, immunotherapy, standard of care. Publication of clinical trial results is essential for the advancement of cancer treatment. AOT is pleased to announce that we have accepted for publication a clinical trial comparing a novel immunotherapy with a standard of care. This trial is registered in the ClinicalTrials.gov database.
