## Innovative Policy Options for Shared Marine Fishery Resource Management: Lessons from the Nigeria-sao Tome & Principe Joint Development Zone

## Aliyu H Dan'Agalan\*, Jonathan Potts, Tim Goodhead and Caroline Day

Department of Geography, University of Portsmouth, Buckingham Building, Portsmouth, UK

Ab	stract
Sul	bsequently, the issue of straddling or highly migratory fsh stocks led to the enactment of the 1995 United Nati
wit	h migratory fshery stocks under a shared management arrangement. This arrangement is between Nigeria
prir	nciples and objectives of UNCLOS III and Chapter 17, Agenda 21 respectively. The approach is expected to pr
