To: William H. Miller, Jr.
I am writing in support of the Journal of Autacoids for inclusion in PubMed Central's indexing system of medical journals. Although relatively young in years, the journal staff and the editorial board members of this online access journal have worked tirelessly to establish the journal's high scientific and medical standards. I have published articles in this journal and received similar currency, recognition, and visibility in PubMed Central. I would strongly recommend the quality and quantity of manuscripts submitted for publication to this journal. Therefore, I would strongly recommend

Sincerely,
