Title:	Biodiversity Policy
Keywords:	Biodiversity, Environment, Ecological, Campus
Description:	A Policy detailing the importance of Biodiversity at BU
Owner:	Sustainability Manager
Version number:	**10**
Date of approval:	24 September 2010

1. SCOPE AND PURPOSE

1.1 This policy and related procedures is applicable to any member of BU staff, students, external contractors and other relevant stakeholders.

1.2 This policy and related procedures relate to any Bournemouth University activity that could positively or negatively impact on ecosystems and biodiversity either within the University estate or beyond its boundaries and may require actions to be taken to mitigate for potential negative impacts.

1.3 This policy guides our community effort to maintain and enhance ecosystems and biodiversity.

2. KEY RESPONSIBILITIES

2.1 Sustainability Committee has overall responsibility for implementation and monitoring of this policy. Day to day responsibility lies with the Maintenance Services Manager, Sustainability Manager and Estates Capital Development Manager. ì W [î G D \ % W PP Y H U D C U H V P

3.2 Bournemouth University Environmental and Energy Manage (EEMS)
3.3 Bournemouth University Climate and Ecological Crisis Actio
3.4 Bournemouth University Sustainable Construction Policy
3.5 Bournemouth University Estates Development Framework
3.6 Bournemouth University Energy and Water Policy
3.7 Bournemouth University Design Standards
