WiFi Powered by

Your guide to

Bournemouth University is an eduroam member institution which enables students, researchers, and staff from other participating institutions to obtain internet access when visiting the university.

If you are visiting from an eduroam participating institution the WiFi should be available to you. If you do not have access to the service or if this does not happen please follow the steps below.

If you are a visiting Bournemouth University and are not from a participating institution you will need to connect to the WiFi network. Please follow the steps below.

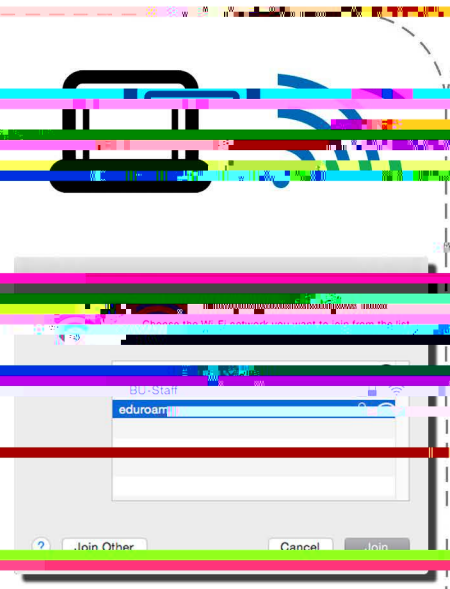

● **CONNECT.** Open the WiFi settings on your device and select the available network list.

● **LOGIN.** When prompted enter your institutions username and password.

Include your

● **Click Join / Connect.**

● **START BROWSING.** Once you are connected you will be able to access the internet.

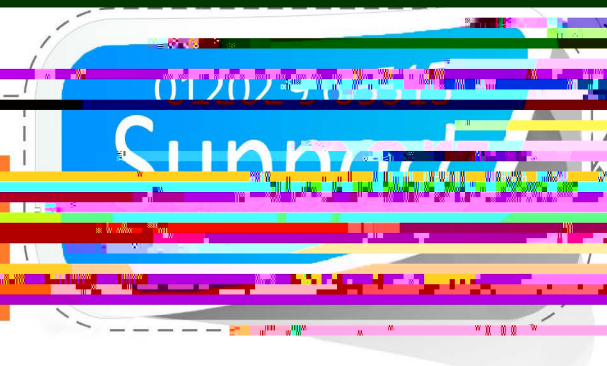

● **CONNECT.** Open the WiFi settings on your device and select the available network list.

● **LOGIN.** When prompted enter your institutions username and password.

● **REGISTER.** If you are not from a participating institution, before you can use the service you will need to register for the service.

To do this select 'Guests Access' from the available options in the login screen. You will be prompted to enter your email address, phone number, and password.

● **START BROWSING.** Once you are connected you will be able to access the internet.

SUPPORT: If you have any issues connecting please contact the IT Service Desk on 01202 961111 or 01202 961111.
